To Whom It May Concern:

This letter is written concerning Elliott & Elliott Roofing Company. I have worked with Mark Nelson with Elliott & Elliott Roofing for several years. They have done several re-roofs with our company and many roofing repairs.

Elliott & Elliott Roofing is easy to work with, accommodating and will follow through with work orders. They are very responsive to service requests and keep me informed of their progress. The work is done to customer satisfaction and should an issue arise, they respond quickly to take care of it.

Elliott & Elliott will also respond to after-hours emergency situations in a timely manner which is vital to our clients.

I highly recommend Elliott & Elliott Roofing Company for all roofing needs and will call them in the future for any projects that come up.

Should you have any other questions please feel free to contact me at the phone numbers in the left margin.

Sincerely,

A handwritten signature in black ink, appearing to read "Denise".
